Crop Movement Dips During Week Due To Frosts

Spotted Crop Damage May Be Compensated By Price Rise

Produce shipment from the area slipped this week as a result of the weekend frost.

Spotted damages either killed or severely hurt 7,000 acres of older stock corn, 2,000 acres of beans, 700 acres of potatoes, some of which will come out again, and between 3,000 and 4,000 acres of tomatoes, according to H. L. Spear, assistant county agricultural agent.

Although there was considerable loss and some damage to individual farmers' crops, the price by track this week. The figure was compiled from shipments of L. D. Walker Trucking, A. J. Henderson Trucking, A. E. Bramble and Sons Trucking, and J. W. Brown.

Railroad shipments dropped from a high of 353 cars last week to 270 cars this week. Following are the railroad loadings:

Catholic Dedication Draws Capacity Crowd

A capacity crowd attended the dedication of St. Philip's Catholic Church in Belle Glade last Sunday. The Most Reverend Thomas J. McDonough, D.D., J.C.D., Auxiliary Bishop of St. Augustine, dedicated the church and the Rev. Father William J. McDonough, D.D., J.C.D., Auxiliary Bishop of St. Augustine, presided.

Assisting Bishop McDonough were Rev. Fathers of St. Philip's Parish in Green Cove Springs, and William J. McDonough, D.D., J.C.D., Auxiliary Bishop of St. Augustine, presided.

Ordinance Governs Farmer's Loading Zone Traffic Now

In connection with the farmer's loading zone recently constructed by the city, an emergency situation was seen to arise from the inevitable confusion between the coming truck traffic and the present "normal" run of automobiles in the area.

The ordinance, which became effective Feb. 15, reads something like this: From October 1st each year to June 1st of the following year, and from the effective ordinance date to June 1st, 1950 and from October 1st, 1950 to June 1st, 1951, between the hours of 6:00 A.M. and 6:00 P.M., all traffic around Block 3 of Glade Subdivision will move counterclockwise ONE WAY.

In other words, traffic will go west on C Place between SW 4th and SW 5th Streets, south on SW 6th between SW C Place and Avenue D, and easterly on SW Avenue D between SW 6th and SW 5th Streets, then northerly on SW 5th Street between SW Avenue D and SW C Place.

Parking is prohibited on the above mentioned portions of street between the hours of 6:00 A.M. and 6:00 P.M. Trucks may leave the parking area from any one of the streets surrounding Block 3 of Glade Subdivision.

The purpose of this ordinance is twofold: first, to prevent a

Baptist Churches To Hold Music School

The Baptist churches of Belle Glade will gather their members, music leaders, and members of their respective churches in a five-night school of music to be held at the First Baptist Church, Pahokee, beginning Monday night at 7:30.

The school will be under the direction of Cliff Holcomb of Jacksonville, who is the Florida Baptist Secretary of Music. Over all theme for the week is "Growing a Musical Church."

A musical festival to be given Friday evening with all choirs participating under the direction of Holcomb will be open to the public.

Each afternoon at 3:30 at the First Baptist Church of Pahokee, Holcomb will meet the Junior boys and girls for one hour of choir training.

Reverend Shirley says, "all are invited to share in this exciting and promising school of church music."

Approximately 131 loads of produce went out of the section by truck this week. The figure was compiled from shipments of L. D. Walker Trucking, A. J. Henderson Trucking, A. E. Bramble and Sons Trucking, and J. W. Brown.

Cigarette Taxes Indicate Business Activity Here

Belle Glade Ranks High In Tax Returns In Glades Section

The Glades area, including Belle Glade, Pahokee, South Bay, Moore Haven, and Clewiston, received the total return of \$10,977.91. Belle Glade's \$8,373.13 is over half of the total.

Ranking second to West Palm Beach in the county, Belle Glade's return is surpassed by only 23 cities in the state.

Proceeding the 1949 Florida legislative session, the cities collected their own cigarette taxes. Belle Glade levied three cents per package and netted an average monthly revenue of \$1,600. The city now is receiving nearly four times the amount as under the former system.

Other reports will review general community conditions. The committee will be on display before the sale, and persons interested in the sale are invited to inspect them at any time on March 2 or 3, Young reports.

March Of Dimes Dance Held Here Thursday

Belle Glade's young and old frolicked to the music of E. M. (Doc) Van Landingham, W. G. (Pop) Lard, and Mel Depaulis Thursday night at the March of Dimes dance held in the Country Club of the Everglades.

Loi Vogel, of the Rainbow Gardens, was in charge of the complete floor show, including entertainment.

Donations of three dollars per couple went to the March of Dimes infantile paralysis fund, according to N. Ray Wilcox, district chairman of the drive.

In a recent report of citizens to be distributed to the municipalities of the section, Belle Glade ranks first in this section of the Glades.

Of the \$1,446,650.22 available money from the collection, \$80,062.04 is donated to the state for tubercular control. The remaining \$1,366,588.18 is distributed to the municipalities.

The Glades area, including Belle Glade, Pahokee, South Bay, Moore Haven, and Clewiston, received the total return of \$10,977.91. Belle Glade's \$8,373.13 is over half of the total.

First Bull Sale Scheduled Here For March Third

Bulls Marks Another Milestone In Glades Cattle Industry

The First Annual Glades Bull Sale, which is scheduled here on March 3, at 2 p.m., will offer cattlemen in South Florida their first opportunity to buy registered Brahman bulls at public auction, according to George Young who is directing the event.

With Auctioneer Bob Cooper, Barnard, acting as the sale agent, approximately 40 registered animals will be offered. The duration of the sale will be approximately 30 minutes.

The principal consignors through V. Ranch of Pahokee, and the County Club of the Everglades, will have animals in the sale.

Those interested in the sale are invited to inspect them at any time on March 2 or 3, Young reports.

Scullion Is Appointed Rescue League Worker

Mrs. Nell H. Scullion of Belle Glade recently was appointed co-chairman to Mr. N. B. Williams, representative of the Animal Rescue League of the Palm Beaches.

"There is a serious need for this work here," Mrs. Scullion says, "especially following the season when many stray animals run uncares for and spread diseases and infections."

Mrs. Scullion's duties include picking up stray and injured animals in this territory and placing them in the care of Belle Glade Animal Rescue League branches. The city recently has built new concrete floor pens.

Once a week a worker is supposed to arrive from West Palm Beach to collect the animals here; however, due to lack of proper facilities, it is unable to come that often.

A new truck to facilitate service, Mrs. Scullion says. The local rescue league is now working for the purchase of a new truck to facilitate service.

An animal lover, Mrs. Scullion is a member of the rescue league. She has four stray dogs at her home and has one time had as many as seven.

port on the Court of Record of Palm Beach County. Vote was four to one in favor of passage. Business agenda included the resignation of James A. Ball, Jr., from the Civil Service Board, and the acceptance of Ball's resignation. Ball's explanation: he already held an appointed position with the Housing Authority, and deemed it improper to carry two city or city connected positions simultaneously.

Incomplete draft on the new permanent registration ordinance, which will provide for registration of all voters in March and April was presented. Reading of the complete form will take place at the next meeting.

Announcement was made that the city will add the Post Office Department in installation of street mail boxes. Tentative have been made for opening delivery service April 1.

Shades Of Yesterday

The mother was showing her son the family album. She pointed out the great-aunt Harriet, great-grandfather Slocum, mother's twin cousins who went to China as missionaries.

"Who's this long-haired dude with the French mustache?" "Why that's your father."

"What! Then who's this bald-headed man who lives with us?"

Troop 22 Struggling: Outside Help Needed

Both attendance and membership have shown a decided increase on the records of Scout Troop 22. Omitting that busy week when the Methodist evangelists were here, the attendance has not fallen below the dozen mark at weekly meetings.

Bill Mann's committee to town must have had some effect during that week, because only 4 Scouts were present. Two weeks before, the little Scout Hut was nearly filled, sixteen boys on hand.

However, the multiple action of a circus, a few basketball games and a few church activities appears to have taken a heavy toll on the interest of the boys. Although last week (Feb. 12-19) was National Scout Week, a week when activity was planned for every day, curious circumstances emanating from the will of other civic leaders indirectly prevented the completion of a single day's plans. In one case, directly.

The leaders of Troop 22 are expected to become extremely embarrassed when they must report on the troop's program failure.

Regular troop meetings will continue to be held every Thursday night at 7:30 in the Scout Hut, Paradise Park, under the direction of Scoutmaster Garold McKee. New members, or just-visitors, are always welcome. Parents or anyone interested in boys are especially asked to "drop in" now and then, and constructive advice is appreciated.

Belle Glade Senior Will Compete For Scholarship Awards

Nannette Acree, a senior of Belle Glade High School, has recently been chosen to compete for three scholarships worth \$6,860 to be awarded by Florida Southern College during its Founders' Week celebration, Feb. 27-March 5. Fifty-five Florida schools will be represented (by a senior girl and judging of contestants take place on the college campus Friday, March 3rd. These girls were selected by their schools on the basis of outstanding achievement and service and will be judged on their records.

The first place award will be a scholarship including all room, board and tuition at Florida Southern for four years. The second prize will be a half scholarship for four years and the third award will be \$250 a year for four years to be applied on tuition.

Rev. Glades Senior At Lions Luncheon: New Committee Studied

Rev. Dan Graham was speaker at the Lions Club luncheon last Wednesday. He delivered a lively talk on the effectiveness of the Holy Word, and likened the force of the Bible to that of a keen cutting instrument, with the power to enter souls and spirit, and to tear down sin and build up righteousness.

Lion Emmett Roberts requested the appointment of a committee to assist the business group in charge of the Glades produce exhibit at the county exposition. Roberts said that he was making the request for the exhibit officials, and emphasized that no financial assistance

4-H Clubs Train Boys And Girls For Better Living, Better World

Nearly two million 4-H club girls and boys throughout the United States and their leaders will celebrate National 4-H Club Week March 4-12. They will have many material accomplishments to their credit, but those intangible things which make for better citizenship will be even more important.

The case for the youngsters was well summed up by a Mississippian girl, Elizabeth Joyce Young, national garden contest winner, speaking to 4-H leaders. She said:

"Your encouragement and support have inspired us to strive for a higher standard of efficiency in farming and homemaking. You have kindled within us a desire for a higher level of physical living and a higher cultural standard. You have helped us to realize that those who receive maximum benefit from modern inventions and scientific research must be alert, awake—ready to seize the opportunity that are offered to every boy and girl in thousands of 4-H clubs over this great country."

"You are preparing us both by example and materially for the positions we are to fill. We know we are in need of strong bodies, sound minds and steady hearts if we are to live and find happiness in this fast-changing world."

"Our club projects in poultry, gardening, foods and food preservation teach us that proper nourishment is necessary for healthy bodies. Projects in clothing, good grooming, yard beautification and home improvement develop in us pride in our personal appearance and in our homes. All these things lead to a higher cultural standard—which means better living."

"America is in a position of world leadership in political, educational and moral fields. We must be ready to shoulder the responsibility thrust upon us. It is imperative that we understand, support and participate intelligently in the democratic form of government which we love—that the United States will be a shining example to other countries. We must discharge our responsibility with the fortitude that springs from our pioneer heritage—emphasizing respect for law, fairness, frankness and individualism in our dealings with other nations in order to make a better universe."

Mr. F. G. Hall, Nashville, Tennessee, visited three days last week with his sister, Mrs. George Rawls.

Pahokee Elementary School

By Stanley H. Marshall

The Fourth Grade class and teacher Mrs. Mary P. Peterson sponsored a pre-Valentine party on Monday night at the school center.

The Junior Red Cross under the sponsorship of Mrs. Rena M. Wright made Valentine favors to send to hospitalized veterans. The Council had a very interesting meeting on Tuesday. The program was sponsored by Council members of the intermediate grades.

The Safety Patrol has been organized with Mrs. L. M. White as the sponsor. The patrol is proving to be a great help in maintaining discipline.

The patrol has a membership of 18 boys and girls. During a recent meeting, the following officers were elected: President, Willie Albert Wilson; First Lieutenant, John Davis; Second Lieutenant, James F. Freeman; Secretary, Rachel Starr; Assistant Secretary, Melvin Lockett; Treasurer, James Howard.

Honor students for the school are James Howard, 6th grade highest average in all around scholarship, Robert Lockett, 5th grade, and John Davis, 4th grade. 5th grade students are Betty Jean and Samuel Clark. The student who has made most progress in the class is Willie F. Freeman.

4th Grade: Walter Childers, Geraldine Glee, James Williams, and Alice Van Howard.

The second grade class cooperated with their teacher, Mrs. Mercedes Robinson in selling lunch lunches last Thursday and Friday in an effort to raise money for the purchasing of needed classroom materials.

On Airburth Farm

Green Duke, negro field hand of Arthur Wells for many years, succumbed to heart failure as the crew came in for noon lunch Friday, Dr. R. L. Pipes was called and pronounced him dead of a heart ailment. He had been receiving treatments for his heart recently. He was past 70 years of age.

The last meeting of the P.T.A. was held Thursday, February 16, 1950, at 8:45 p.m. The president, Mrs. M. P. Howell, presided. The devotion was led by Mr. Hamilton. Mrs. A. M. Galloway, chairman of the scrapbook committee, gave a few remarks concerning the scrapbook which was sent to the state meeting at Tallahassee. Our scrapbook won second prize at the state P.T.A. meeting.

Interesting remarks were expressed by our President, Mrs. Howell, and by the parents and teachers. After the new members were introduced, the Senior High Department of E.V.H. served a delightful repast. The group sang "The Lord's Prayer," "At Worship," "Vive L'Amérique," "Palm Sunday," and "Down by the Old Mill Stream." We shall look forward to our assembly hour.

The Bobcats succeeded in defeating both boys and girls basketball teams of the school of Ft. Lauderdale. At the half the Bobcats were leading 5-2, but at the close of the game the scores were 10-10, when our star player, Karlene King, scored the winning point.

"B" Club

Members of the "B" Club were honored February 14 at the home of Coach and Mrs. Leavitt. The regular meeting was conducted and Ronnie Cameron brought himself into good standing by paying back dues and the fee for missing a "B" Club dance amounting to \$5.25.

Plans for conducting a boys' inter-class basketball tournament were discussed. The freshmen will play the juniors; the sophomores will battle it out with the seniors, and then the two winners will oppose each other to decide the final victor.

Following the meeting a social hour was enjoyed, and cookies and candies were served by the hostess.

F.H.A.

The Future Homemakers of America sponsored a baked food sale Saturday as the beginning of a series of activities to earn at least \$150.00 by March. The other activities planned are dance to be given on April 6 which is the Thursday before Easter, a turtle race, a shadow party, and on March 10, the selection of "Little Miss Belle Glade."

The contest for the selection of "Little Miss Belle Glade" will be open to all little girls between the age of two and five. An entry fee of a dollar will be charged, and an engraved gold-plated loving cup will be presented to the lucky little winner.

In March, Clara Stein, Irma Stein, Catherine Friedheim, and Ann Bass will attend the F.H.A. convention in Tallahassee as representatives of the Belle Glade chapter. That explains the need for the \$150.00.

Annual Staff

After several months of hard work and worry the 1950 annual staff can finally relax. The oil burned late on February 14, Valentine's Day, too; and the deadline for sending in all material, February 15, was met.

It was a happy group, also, proud, that left the school that night feeling their job well done. You'll say so, too, when the year-books arrive this spring.

Belle Glade vs. Lake Worth

The Belle Glade A & B basketball teams played Lake Worth Wednesday night, February 15. A bus carried students to witness the game so Belle Glade as well as Lake Worth was well represented.

First on the program was the B team. Bob Farmer fouled out during the fourth quarter. John Lamb was high point man, and the final score was Belle Glade 23—Lake Worth 28.

The A team game was witnessed by an anxious crowd. Lake Worth scored the first four points to get the game underway. Our A team completed 19 shots from the floor and 10 free shots. Final score Belle Glade 28—Lake Worth 41. Bill Mitchell was high point man for the Rams, and D. C. Nelms rated second place in high scoring.

Spanish Club

On Monday, February 20, the Spanish II class organized a Spanish Club and caused the dream of past years to become a reality. They selected "Los Gringos" as the name for their club and the following officers were elected: president, Johnnie Lowrey; vice-president, Catherine Friedheim; secretary, Shirley McCravin; and treasurer, Donna Norris. Mrs. Ruth Lang-

You can insure budgets!

Even the most carefully budgeted income cannot withstand the drain of unanticipated losses. A fire, storm, burglary, personal accident or damage suit can rob you of your possessions and even mortgage your future income.

Prudent people budget their expenses, and guard against the unexpected by including carefully selected insurance protection in it. A budget that is not thus secured resolves itself into a matter of burdensome bookkeeping with the possibility that at any moment it might have to be written in red ink.

List insurance in your budget and keep your balance out of the red. We can help you select the proper protection.

worthy, Spanish teacher, is advisor.

The purpose of the club is to learn more about our neighbors, the Spanish speaking countries. "Aqui se habla español" or in here is the club's motto.

Several interesting activities are being planned for the remainder of the year. Former Spanish students are entitled to be honorary members.

Pop Club

The Pop Club met in the gym during sixth period Tuesday to distribute the hats that were ordered. Then the cheerleaders led several yells in preparation for the game with South Broward. Everyone go to that game and support your basketball team.

Commercial Course To Be Given For Adults

Under the direction of the Palm Beach County School course in shorthand, typing and bookkeeping is being offered to those adults interested. The course will be taught by Miss Fay Ledbetter, local commercial teacher, registration only \$1.00 and a fee of thirty cents per hour for the sixty hours. In order for the course to be taught there must be an enrollment of nine adults. Any interested may phone the school, 5938.

One adult evening course in typing was completed February 20, beginning October 13th with an enrollment of 17, also taught by Miss Ledbetter. Five students completed the full course.

GOLFING ELKS

Continued from Page 1. ed bread; the ladies of the Club will prepare a full variety of Glades vegetable soup, potatoes, beans, radish, celery, peppers, lettuce, romaine, onions, etc., to stimulate and support the main dish.

Baskets of vegetables from the several varieties will be prepared by Bill Graber to supplement the purely golfing prices.

Visitors will be here from Vero Beach to Key West and as long as the ladies have been invited, local Elks ladies are urged to come along, particularly in the afternoon to mingle with and entertain out-of-town guests.

The widely appreciated hospitality of the Glades will be upheld Sunday, and it can be much easier on the working committees if each Elks wife will assume her responsibility to meet and know our visitors.

It has not been the practice generally to have visitors at these functions; Belle Glade is going "all out" for the ladies.

MOTORISTS PROFIT

(Continued from page 1)

Entered around a violation on someone's part.

"Excessive speed alone figured in about 240 of Florida's fatal accidents in 1948. It is almost inconceivable that so many people either did not know—or care—what the posted or safe speed was at the time of the accident."

The Florida Highway Patrol listed the more common traffic law violations as excessive speed, usurping the right-of-way, driving while under the influence of alcohol, incorrect overtaking and passing, disregard of a traffic officer, sign or signal, driving on the wrong side of the road, and unsafe vehicles.

"These violations," Kirkman said, "figured in more than 500 accidents in 1948 in which one or more persons died."

"Ignorance of the law—especially traffic law—is no excuse, either in court or as a balm for the driver's conscience. Knowing and obeying traffic rules is a moral obligation that one automatically assumes with the purchase or use of an automobile."

February's program of traffic safety education is being conducted with the cooperation of the National Safety Council, and is coordinated in Florida by the Florida Highway Patrol.

FLA. POWER & LIGHT

Continued from Page 1. pany during the four years, if laid end-to-end, would reach from Miami to Winnipeg, Canada.

Florida Power and Light Company at the close of 1948 had 81 miles of rural lines in this district and at the close of 1949 it had expanded these to 136 miles, an increase of 66 percent.

The importance of the extension of rural electric lines was emphasized by the power company manager who pointed out that the business success and progress of an area is largely dependent upon the availability of electricity.

"Extension of rural electric service improves the incomes of our people by enabling them to operate on their own land such businesses as vegetable or fruit processing plants, quick-

freezing plants, pasteurizing plants and other enterprises formerly restricted to city areas.

"Florida as a whole has made rapid strides in rural electrification," deMoya declared. "Of its 61,136 farms, United States Agriculture Department figures as of June 30, 1949, show that 46,769 farms have become elec-

trified.

"Florida, with 77 percent of its farms electrified, is ahead of the 74 percent average of the 48 states."

"We can appreciate Florida's achievement better when we realize that Miami, for instance, has only 48 percent of its farms electrified and Ten-

nessee, with its government-financed TVA, has only 66 percent of its farms electrified.

According to these government figures, Florida is far ahead."

Florida Power and Light Company will continue to make improvements here in lines and other facilities, deMoya stated. The power company's improve-

ments in this district and throughout its state wide system will cost some \$18,000,000 during 1950 for new plants, new lines and improvements. "Our company has great confidence in this area," deMoya declared, "and it is evidencing this confidence by investing its dollars here."

EVERGLADES DRAINAGE

(Continued from page 1)

assailed on account of Everglades Drainage than any other subject of public moment in South Florida during the past 15 years and paying these bonds has been licensed to paying for indications of youth.

The current Everglades Drainage Board is paying off \$892,000 of bond principal, bringing the remaining unpaid principal debt plus interest to \$2,753,934.40.

There remains in the hands of the State Treasurer, in government bonds, about \$800,000 with which to pay off these bonds, and each year approximately \$500,000 is collected in taxes, so that by 1952 taxable year, enough money should be on hand with the State Treasurer to retire all outstanding indebtedness of the District.

There is a possibility that collections, estimated annually at \$500,000 plus \$200,000 expected from 49 plus \$233,934.40. There is a possibility of a reduced acreage tax for the year '53 if something goes awry with expectations.

You may ask "Why isn't the \$800,000 paid right now to further reduce the debt and stop interest?" Well, now when the Money-Bugs agree to lend you this money you must have previous agreement to keep it so long and pay interest, which is what was done in this instance.

Under this agreement the borrowers agreed to try to pay \$892,000 on April 1st of this year, and are doing it. They have permission to pay \$1,796,000 which will not be due on April 1st, 1955. So, the \$800,000 plus whatever other monies come in and are not needed to pay regular maturities will be kept by the State Treasurer in government bonds on interest until the bond holders are willing to take their money.

Of course a small penalty must be paid for paying off this debt before due but that will not equal the interest saved.

Everglades Drainage tax is a close around the Lake run \$1.50 per acre per year scaling downward to about \$0.90 per acre for the farm lands. To be relieved of from 90 cents to \$1.50 per acre taxes in '53 should be good news to all landowners in the Glades.

Other areas will benefit likewise, but not as much as Glades lands.

DAVID HUNTER

Continued from page 1
Highly qualified golf professional, Hunter, has written a book entitled, "Golf Simplified, Cause and Effect," which was published in 1921. He is now gathering material for another book which will include pictures of famous contemporary golfers.

Heading for the far end of the globe, Hunter accepted his first position at the Hurlingham Golf Club in Buenos Aires, South America.

Following a brief return to England, he came to the United States to assume duties at the Meadow Brook Golf Club in Long Island, New York.

Successful positions took him to the Baltusrol Golf Club in Short Hills, New Jersey, Essex County Country Club in West Orange, New Jersey, and Plantation Golf Club in Nassau County, Long Island.

Become a golf professional and see the world, says Hunter. After his last position he journeyed to Miami to build a large putting green.

The Hunters have one son, Charles, who standing several inches above his father, is a "block off the old clip." He is now professional at a Guatemalan golf club.

The Hunters are settled in Belle Glade bag and baggage including beloved pet, Minnie Marilyn, their money colored cocker spaniel.

Cinematic Chatter

A pretty war widow's efforts to choose between two prospective husbands keynotes the play plot of "Holiday Affair," starring Robert Mitchum, Janet Leigh and Wendell Corey, which is due to be screened at the Hugo Theatre, Sunday-Monday.

By all the rules, the heroine should marry her first suitor, a well-to-do attorney. But when the second man, a jollier wanderer, comes along and criticizes her whole attitude to life, things develop into a highly complicated triangle, with frequent hilarious results.

A new juvenile find, Gordon Gebert, heads the supporting cast as Miss Leigh's small son, and Griff Barnett, Esther Dale, Henry O'Neill and Henry Morgan have featured roles.

One thing certain, when you go to see this comedy you will see Mitchum in an entirely different role than you expect, and I am sure you will like him in this new characterization.

GLADES NEGRO NEWS

Lake Shore Elementary

(Continued from Page 6)

Our "Diary" was the winner of the first prize banner at the recent meeting of the State Congress held in Tallahassee. The scrapbook contains newspaper clippings relative to activities here in the school, several copies of the school paper, THE BEAM, and snapshots and photographs of school activities over the past several years.

Miss Myrtis Edgcomb, who was a delegate from this school, states that there were twenty counties represented in the scrapbook contest. "The scrapbooks," she says, "were judged according to inclusiveness, historical value, and neatness." Judges in the contest were Mr. Randolph Edmonds, Mr. C. E. Evert, and Mr. Stephen Green, all of the Art Department at Florida A. and M.

The school also received a first prize for its arts and crafts exhibit.

Mrs. Daisy Murrell, a member of Lake Shore Elementary P.T.A., and former chairman of the State Congress Arts and Crafts Committee, was elected Chairman of the Publicity Department for the next two years.

Junior Red Cross News

Council members of the Junior Red Cross here attended a meeting of the Glades Council at Everglades Camp School on Thursday, February 16. The group viewed with much interest the International Art Exhibit, and enjoyed the showing of Kodachrome slides picturing various scenes throughout the world.

Mrs. Muriel Pringle was in charge of the exhibits and showing of the slides.

Council members making the trip to Pahokee were: Betty Jean Flowers, Elbert Tucker, Jacquelin Caldwell, Ernestine Edwards, Samuel White, Mattie B. Peterson, Sammy Clark, Clarence Jasper, Daisy Mae

Singleton, Marion Sherrod

Georgia Mae Coleman, Barbara Pollard, Sam Johnson, Gloria Smith, Carrie O'Neal, Barbara Eggleton, Mary Byron, William Culler, Sylvia Carrigan, Barbara Singleton, Christine McCants, Eddie Lue Eumph, and Mary Lamm.

Miss M. T. Shannon, Mrs. N. M. Singleton, and Mrs. E. P. Oliver accompanied the group. Miss Shannon and Mrs. Singleton are co-sponsors of the Junior Red Cross Council here.

New Member Added To School Staff

Miss Julia Mae Fountain of West Palm Beach has recently joined the faculty here as lunchroom manager. Miss Fountain is a native Floridian. She

did her high school work at Industrial High School, in West Palm Beach and received the Bachelor of Science Degree in Home Economics at Florida A. and M. College. She has had

three years of experience at Benedict College, Columbia, South Carolina.

All of us wish for Miss Fountain the best of success in her new position.

SENSATIONAL NEW ANTI-RUST GASOLINES**CONTAIN RD-119**

New Chemical Discovery Protects Your Car's Fuel System Against Rust and Corrosion

STOPS RUST in your gasoline tank.

STOPS RUST which clogs fuel lines, strainers, carburetor jets.

REDUCES WEAR caused by abrasive rust particles.

RD-119 STOPS RUST

RUSTED in Ordinary Gasoline

Gasoline doesn't rust metal. But water does. And minute quantities of water are formed by moisture condensation or "rusting" on the inside of every gasoline tank. That makes rust. See heavy rust coating on steel rod after prescribed laboratory test in ordinary gasoline containing small proportion of water, as does your gasoline tank.

PROTECTED in New Sinclair Gasoline

This steel rod was tested in new Anti-Rust Sinclair Gasoline under identical conditions as rod at left. It's clean and rust-free because it was protected by an invisible film of RD-119, now contained in all Sinclair Gasolines. RD-119 stops rust and corrosion in the same way in your gasoline tank and fuel system.

The Lesson-Sermon also includes the following from the Christian Science text-book: "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Throughout all generations both before and after the Christian era, the Christ, as the spiritual idea,—the reflection of God,—has come with the message of power and peace to all prepared to receive Christ's truth.... The divine images, idea, or Christ was, is, and ever will be inseparable from the divine Principle, God" (333:19-26:26-27).

SOUTHERN BELL TELEPHONE AND TELEGRAPH COMPANY

Southern Bell and the CWA-CIO are engaged in collective bargaining on wages at the request of the Union. We earnestly hope that a settlement can be reached that will be fair to the employees, to telephone users and to the company. Meanwhile, the public has every right to expect uninterrupted service under the present contract between the Company and the Union, which provides that, quoting the contract itself, "UNDER NO CIRCUMSTANCES MAY IT (The Contract) BE TERMINATED EARLIER THAN JUNE 5, 1950."
